

BRIAN SKALAK

(b. 1990 Iowa)

www.secondsightvisuals.com | 563-210-3813 | brian@secondsightvisuals.com

Currently lives and works in Minneapolis, MN

Interaction is at the core of everything I produce. I do not believe that art should be stagnate or one-dimensional. A theme that I commonly tackle is translation. In bending technology to my will, spaces and environments are created that allow for magic to become not only plausible, but possible. It's this sense of modern magic and active participation that blend together to spread ideas and reposition imaginations as future opportunities.

SELECTED EXHIBITIONS
